LAC LA BICHE CONSTITUENCY

Liberals, Tories Name Candidates

Venice

Mr. and Mrs. Philip Cyr of Plamondon were recent guests at the home of the latter's sister and brother in-law, Mr. and Mrs. Fred Fornari.

Mr. and Mrs. John Ball of Edmonton and Miss Mona Lefebvre from Westlock spent the long weekend at the home of Mr. and Mrs. William Lefebvre.

Pete Bezpalko and Benny Ferro were patients in the St. Catherine ospital, Lac la Biche.

Mike Biollo of Ellscott was home for a recent weekend.

Sixty countries use our paper.

TAKE VOTE FRIDAY

Lac la Biche Businessmen Inspect Turner Valley Natural Gas System

A group of businessmen and members of the town council took advantage of the May 18 holiday by making a trip to Turner Valley to inspect the natural gas distribution system. The party left by car Sunday afternoon and stayed in Calgary that night, going on to Turner Valley early Monday morning.

Previous arrangements had been made with the management of the Valley Gas Company to show the group around and explain how the system was managed and operated. The company serves a few small towns in the area as well as a number of farmers. The men were impressed with the courteous manner in which they were received and with the willingness of the company personnel to discuss details of the operation of a gas system which is working smoothly and has successfully overcome the problems which the Lac la Biche system will soon be tackling. They were also impressed with the low rates charged to the consumer while showing a satisfactory profit to the owners.

The party left the Valley Monday evening, arriving back in Lac la Biche in the small hours of the following morning. Those making up the group were: Mayor S. Hamar, Councillors Mike Maccagno F. W. McMillan, Harry Lobay, also Jack Williams, Oscar Tremblay Hervey Marchildon and Joe Strombiski.

Ratepayers of Lac la Biche will vote Friday of this week on whether to go along with the council in its plan to proceed with the necessary investigations preparatory to making application to own its own gas system. The local chamber of commerce, in a letter to the council, has commended council for the way it has handled the gas dealings thus far.

Socred Candidate Woynarowich Has Served Many In Lac la Biche Riding

Elvin J. Woynarowich, who was recently named Social Credit candidate for Lac la Biche constituency, was born at Lethbridge on May 15, 1926.

E. J. WOYNAROWICH, SC
was returning officer for the Lac la Biche constituency during the liquor plebiscite.

At the age of four, he moved with his parents to Two Hills where his father took to farming during the depression years. He had been coal mining.

He received his education attending a small country public school, then taking his senior matriculation at Two Hills and in Edmonton.

He entered the services of the Provincial Treasury Branch at Two Hills in 1947. After three years of banking he set out to enter the field of accounting.

In 1951 he set up his office in the town of Lac la Biche, and in the past nine years has served many people of the constituency.

Mr. Woynarowich is a married man with five children — three daughters and two sons.

He is described as a man of courage, initiative and purpose, having helped and guided many people through their difficulties with his advice.

Mr. Woynarowich has taken active roles in the Lal la Biche curling club, Lac la Biche Golf and Country Club, Lions Club, Lac la Biche Chamber of Commerce and United Church Board. In 1957 he

Showing at 8:30 on Friday, at 2:30, 7 and 9:15 on Saturday.

Charcoal Plant For Edmonton

A $250,000 charcoal plant will be built in Edmonton. The plant will have capacity to produce 5,000 tons of charcoal a year and will employ a staff of 25.

UTILITY COMPANY CAN START WORK WITHIN TEN DAYS

Within ten days after making a contract with the town council of Lac la Biche, Northland Utilities would start work on transmission and distribution lines for the supply of natural gas to town residents. This was stated by an executive of the Northland Utilities company which, for the past several years has supplied electric power to the town of Lac la Biche.

The company already has thermal units which burn natural gas. These will be moved into town as soon as the transmission lines have been hooked up between the company's plant and the wellhead. At present Northland Utilities has a number of diesel powered generating units which are costly to operate. It has been stated that as soon as the electric utility can operate on natural gas, the price of electric power to consumers will be reduced by a substantial margin.

An expert on natural gas distribution has stated that there is no reason why town residents cannot have natural gas to their homes and places of business by next winter. This is provided the utility company can make an immediate start and provided there is no undue delay in making arrangements for the franchise.

Northland Utilities has already promised the town council that it can supply natural gas to all residents of Lac la Biche with a minimum of delay. Once again this is conditioned on how quickly arrangements are concluded.

Mink ranchers close to town are hoping that the utility company will be given the franchise. Under government regulations Northland Utilities can supply gas to more than just town residents, whereas the town itself in operating the utility would be limited to serving customers within the boundaries of the town.

Mike Maccagno, MLA, Re-Nominated PC's Choose Henry Thompson, McRea

Over 200 delegates from all parts of the Lac la Biche constituency last week re-nominated Michael Maccagno, MLA, to carry the Liberal party's colors in the provincial general election on June 18.

MICHAEL MACCAGNO, MLA
. . . renominated

At another nominating convention in Lac la Biche, the Progressive Conservatives gave the nod to Henry Thompson of McRea. He defeated Dolor Shank of Plamondon.

The Social Credit party recently named E. J. Woynarowich of Lac la Biche as candidate. The CCF party is not expected to field a candidate.

Highlight of the Liberal nominating convention were addresses by young Liberals Andre Piquette of Plamondon and Tom Maccagno, the candidate's son. They explained to young members of the audience who would be voting for the first time, the significance of their responsibility, and what their role as party supporters could mean to the Liberal party.

INTRODUCE SPEAKERS

Willie Hamilton of Lac la Biche, president of the constituency association, introduced Richard Hall, Athabasca MLA. Mr. Hall spoke briefly and introduced Grant MacEwan, provincial leader for the Liberals. Oscar Tremblay, secretary, recorded the minutes of the meeting.

Harry Whitney of Donatville nominated Mr. Maccagno and Andre Piquette seconded the motion. Maccagno was elected by acclamation.

During his acceptance speech, Mr. Maccagno rendered an account of his stewardship as a member of the legislative assembly during the past four years.

PC NOMINATION

There was a small turnout at the Progressive Conservative convention held in the Memorial hall.

C. McLean, organizer for northern Alberta, and Ned Feehan, PC candidate for Edmonton West, were chief speakers.

Henry Thompson of McRae captured the nomination over Dolor Shank of Plamondon and will make it a three-way fight between the Liberals, Tories and Socreds. The CCF aren't expected to field a candidate.

WI Collects $121 For Cancer Fund

The May meeting of the Lac la Biche WI was held at the home of Mrs. F. McMillan with 15 ladies present.

A report was given on the recent cancer drive. $121.35 was collected by the ladies for the Canadian Cancer Fund.

The recent bake sale and raffle brought in $72.98. The hand embroidered bedspread donated by Mrs. D. W. Bailey was won by Mike Arnfinson of Edmonton. A quiz was conducted by Mrs. A. Mastaler.

The hostess and co-hostess, Mrs. W. Coast served a lunch after which a social hour was enjoyed. The June meeting will be held at the home of Mrs R. Rizzoli.

Explosives are made from wood.

Cpl., Mrs. Clark To Occupy New Home

LAC LA BICHE — Corporal and Mrs. Clark and their family expect to move into the new RCMP building the end of the month.

The spacious new quarters, constructed during the winter by contractor Jacob Brost of Westlock, is situated on the lake shore at the west end of town. The building consists of living quarters for a family, offices and cells, and quarters for single men.

The exterior of the building is of brick and the interior is of modern designing in keeping with the high standard of police barracks being completed at several points throughout the province this year.

Coming Event

LAC LA BICHE — A United Grain Growers' picture show and meeting will be held jointly with the monthly Farmers' Union meeting of local 313 at Craigend on Sunday, May 31, commencing at 8:00 p.m.

Free lunch will be served. The event is being arranged by J. G. Hackman, UGG agent at Lac la Biche.

The Antarctic equivalent of the Aurora Borealis, or the Northern Lights, is the Aurora Australis.

Some Local News Missing This Week

Due to the provincial election campaign printers at the Sun office in Edmonton are very busy. Consequently they have not been able to set all the news they would have liked to put in the paper this week.

As soon as the bulk of election printing has been done, however, the news missed this week will be set and published in the paper.

Local editors and reporters are asked to continue sending their news on schedule.

Apology!

In the past, this newspaper has given credit, for articles and material written by Mr. Donald Stewart, to other persons. We have also erred in publishing under Mr. Stewart's by-line articles and material which were not written by him. In other cases, Mr. Stewart's articles and material were substantially changed and altered without his consent.

The Lac la Biche Herald desires to express its regret to Mr. Don Stewart for these mistakes and errors, and to sincerely apologize to him for any inconvenience or embarrassment which he may have suffered, as the result of such publications.

FRAINS

Visitors at the home of Mr. and Mrs. John Shyian and family during the Victoria Day weekend included: Mrs. Steve Bilida and family of Athabasca; Mike Choma of Boyle and Mr. and Mrs. Steve Kostuik and family of Edmonton.

Recent visitors at their homes were: Miss Nady Kowalyk, Mrs. Arch Shwetz, Mr. and Mrs. Nick Hussynec, Mr. and Mrs. Al Plachnek and family, Johnny Pfau, the Nahorney family, Miss Mary Lopashinsky, Mr. and Mrs. Bill Kashuba, Rae Kolach, Ray Mamchuro, Mr. and Mrs. Tchere and family, Minnie Shwetz and Johnny Hussynec.

Spring work is well under way in the district.

Edwin Budney was a recent visitor to Edmonton.

Mr. and Mrs. Dan Shwetz have repainted their house an attractive combination of pink, white and turquoise green.

Fred Ustina of Edmonton visited his father, Michael Ustina, during the Victoria Day weekend.

Peter Letwin, Rae Kolach and Joyce Hewko attended the farewell party for Billy Letwin held at his home in Fallow Lake.

Andy Chopoidalo is at home now.

Several local tens attended the midnight frolic dance in Boyle May 17.

A fair crowd was present at the dance in the community hall. The Northern Bright Stars of Lac la Biche supplied the music.

Miss Alexandra Nakanechny and Miss Nady Kowalyk visited at the home of Mr. and Mrs. William Kowalyk.

Otto Pfau, William Pusiarski, Paul and Carol Marchak, Joyce and Uanna Hewko, Fred Shyian, Stella Shyian and Juliana Kolach were present at the birthday party held in honor of Peter and George Opriphko in Hammond School recently. A large crowd of teens from other districts were also present.

FOR SALE

Seven-room 2-storey house, with full basement, furnace, full plumbing, on one lot, cabin on adjacent lot, situated on Alberta Ave.

MRS. B. GABERAL,
Lac la Biche, Alta.

Rich Lake

Reggie Hayward is in Glendon Hospital with a bad burn.

Mr. and Mrs. Herman Fishback of Oyen visited at the Stevens and Ross homes for several days. They had not seen one another for 15 years.

The Rich Lake Students' Union sponsored a successful novelty dance recently with music supplied by the Turgeon orchestra. Prizes, including a door-prize, were given.

Mr. and Mrs. John Koivuneva and baby Janice of Edmonton visited Mr and Mrs. E. Tikkanen over the Victoria Day weekend.

The Dennis Skakum family of Edmonton visited the Hogetveit and Stevens homes for a few days.

Mrs. Max Stevens is a patient in St. Catherine's Hospital, Lac la Biche.

Avenir

Joe Perner Sr. is visiting his son Leo Perner and family.

Pte. and Mrs. Borgen have returned to Camp Wainwright.

Leo Johnson of Owl River paid a visit to E. Borgen. He was accompanied by Mr. Shaffer.

Leo Perner made a business trip to Owl River recently.

Mr. Rochan had the misfortune to set his car on fire. The sparks started a small grass fire which Leo and Joe Perner helped him extinguish. No damage was done to the car.

Mr. and Mrs. Paul Harris spent the weekend in the district.

HISTORY OF GRADUATING CLASS DR. W. H. SWIFT HIGH SCHOOL

Class History by John Panchuk and Wilfred Makowichuk

The Class Historians for the Dr. Swift High School in Lac la Biche have been very busy with their research into the lives, etc., of the Graduating Class and the results of their findings are printed here for all to read.

Victoria Balaban—

May usually brings forth the birds, the bees, and the flowers, but this particular year there was bound to be a bumper crop, and Mr. and Mrs. Balaban were not disappointed, for in May of that year Vicky proved to be just that. At birth Vicky weighed the whole sum of 3½ lbs.

She first enrolled at Christie Creek in Grade one, but that same year transferred to Craigend. A great sports enthusiast, she once caused Wilfrid Makowichuk to get a black eye when they collided while trying to catch a ball. Vicky is now such a graceful young lady that it is hard to remember what a threat she was on the baseball field. She is always happy, never wears a frown.

Laura Baglot—

As Laura Baglot was quite impish at home, one would think she would be the same at school. However, upon entering school, she was praised by the teachers for her good behavior and good work. If you see her in class, she is a quiet little mouse. But what a jolly friend she is when you visit her house.

Marilyn MacMillan—

Marilyn took Grades one and two
At an Edmonton school called Spruce Avenue
With Sister Bathilda in Grade three,
She tap-danced with her friends in utmost glee.
Her work all along was very fine,
The Governor-General sent her a medal for Grade nine.
Marilyn always knows where to look,
She'll get the information if it can be found in a book.

JOHN PANCHUK—

In school John is the brains of the class
Always making an Honors pass;
Johnny is a boy who never breaks a rule,
But his heart beats loudly for a girl at school.
He keeps his head, also his feet,
No matter how his pulse may beat.

Wilfrid Makowichuk—

After getting his way at home, Wilfrid at last was off to school. Because he was the son of the principal, Wilfrid felt that he had the privilege of staying or leaving on his first day at school. To his mother's surprise, he arrived home at ten o'clock on the first morning. To Wilfrid's surprise, his mother directed him to return immediately, and emphasized her remarks with a little stick.

From that time on "Little Wilfrid" settled down and became a model pupil, which he is to this day.

Little Wilfried grew and grew
Till now he towers 6-foot-2.

Victor Michetti

Victor has continually been a hockey enthusiast. Due to the fact that he has had all his schooling in Lac la Biche, he has had ample time to practise hockey. Although Victor has settled down to school work in the past few years, his favorite subject is still the Boston Bruins.

Jacques Bourassa—

At the time that Jacques was to begin school, his family moved from Wandering River to Lac la Biche, where he first started school and has taken all his schooling here. Though patience and perseverence, Jacques realizes that his goal is near at hand.

To finish Grade XII, Jacques is going to to stay
It proves that where there's a will there's a way.

Harold Krawchuk—

Harold began his school career at Caslan.
He gave the teacher one gray hair
For every minute that he was there.
You can hear him talk and laugh
And play his tricks upon the staff.
With his brief case he would stroll
Just in time to answer the roll.
Girls and shows give him more delight
Than doing his homework night after night;
But his behavior we do not mind
For he gives us pleasure that is hard to find.

David Lozinski—

David, throughout his schooling in Hylo, could compete with the best during class. Outside in the yard the older and bigger boys picked on him because of his size. When David entered high school in Lac la Biche a big change came over him. He was the main attraction of Dr. Swift school. All the girls were captivated by his straight hair and blue eyes. Now the girls lament their broken hearts.

His energy he saves and saves,
For what we do not know;
But when he has made up his mind,
We expect to see him go.

Charles Keehn—

From Hylo comes tall Charles Keehn and he's really keen about sports. And girls are keen about Charles too. Quite a competition I hear to be his date for graduation. Charles left us for a year to go to Edmonton but he likes LLB's discipline. Charlie's favorite line is "Tomorrow teacher, I'll have my essay done."

Carole Keehn—

In the beginning of her schooling at Nelson, Carole was quite a female "Denis the Menace". Instead of doing school work she much preferred to crawl over desks or climb up the stove pipes. Reali-

MANY ALBERTA girls will become June brides and the happy occasion will be a proper time to record the event photographically. A picture similar to this will be printed in the paper in your community at a cost of only $2.00 plus tax to the customer. If you wish, a writeup of the wedding can be printed with the picture which must conform to the standard 2 column width on single weight glossy paper. Since the engraving process requires that photographs must be cut or marked, photos will not be returned. It is best to have your photographer make the picture especially for the newspaper, preferably four inches wide and five inches or less deep.

HOW TO BE DISLIKED

By Dr. Walter C. Alvarez

Emeritus Member, Division of Medicine, Mayo Clinic, and Emeritus Professor of Medicine, Mayo Foundation

Part 17

In the series "How To Get Along With People"

There is many a person in this world who is not liked because he seems to have a pose of too great sophistication in the language of the street, he is too much of a highbrow or high-hat, and few people like such a person.. He may also be a "wise guy" who is proud of the fact that he "wasn't born yesterday" and is so suspicious of all his fellows that he can never be taken in by anyone. I, myself, would rather be taken in occasionally than to be always so suspicious of people and on my guard.

Many persons are so grouchy that no one wants to come near or to have dealings with them. I imagine that it is not easy on the person who is a grouch, because he has to live with himself most of the time.

Whenever I find myself feeling grouchy, I try to stop and take a little rest so as not to be so irritable, and hence so easily an-

wrote often and lovingly to her mother, and usually she has to admit that she didn't.

Don't Expect Too Much

If we don't expect a lot, then when we don't get anything we will not be unhappy. My feeling always is that most persons are so busy and concerned with their own problems that they are not likely to take time to write. Whenever one of my children or an old friend writes me, I am surprised and delighted.

Since one of the surest ways to a man's heart is through expressing understanding and appreciation of his work, a man handicaps himself in life if he is too ungenerous, too thoughtless, to envious, too "small" or too fearful of demeaning his own ego ever to tell others of his appreciation of them and their work.

When a man complains that his fellows do not express appreciation for what he does, or do not accord him proper recognition, let him ask himself, "Do I always express generous appreciation of the work of others in my field of work? Until I often give recognition to others and express appreciation of their work, I must not complain about the people who are not appreciative of what I do."

Praise Your Children

Doubtless parents should more often praise their children for their achievements and successes; they should not be so afraid that praise will go to their head, and cause them to quit working hard.

There are a few people who, in a discussion, tend to be so positive and overbearing that they stand little chance of influencing the people they want to win over.

These impolitic persons should read Benjamin Franklin's note on how he once had to make a great effor to overcome this tendency t be too arrogant in debate. He tells how, in his youth, he became un popular because he was always tell ing people that they were wrong

Finally, an old Quaker friend took him aside and told him tha no one liked to be told brusquely o his mistakes. "You know so much that no man can tell you anything Indeed, no man is going to try, fo the effort would lead only to dis comfort and hard work. So you ar not likely ever to know any more than you do now."

Change His Ways

Franklin saw that his friend was right, and he went to work to change his ways. No longer did he directly contradict others, or in argument make assertions in an overbearing way. Instead, he be gan by saying that in certain cases and circumstances or to a certain extent, the other fellow was doubtless right.

But in the present case, it might be well to explore another aspect of the matter.

When advocating some reform, I have found it saves giving offence to my reader to keep saying, "We do" thus and so, or "I suspect we would have much greater success if we were to do differently." I helps my argument, also, to admit —what is true—that in my younger days I several times made the very mistake which now I am deploring

Many persons are so terribly handicapped by stubborness that any person who suffers from this curse ought to fight it every time it shows up in him. It can cause so much unhappiness to a spouse and to children; it can close the person's mind to so much that could be very helpful to him.

Can Lose Friends

It must be fought also because so often, it can cause the person to lose a good friend or a good advancement or advantageous deal. Every so often, I draw from a wife's lips the admission that much of her marital unhappiness is due to her husband's stubborness and rigidity in many situations.

[illegible] say, "I'd never eat that," or "I'd never go on a plane," or "I'd never go west of the Mississippi," or "I'd never marry a doctor (or a minister or a businessman)," or "I'd never wear blue."

I prefer not to say such things because they all indicate a preference for a closed mind, which is one of the worst things a person can have. I prefer the attitude of people who say they will try anything once .

Next Week: Your Life's Work—Powerful Medicine (From the book "Live at Peace with Your Nerves," copyright 1958 by Dr. Walter C. Alvarez and published by Prentice-Hall, Inc.)

married and move away, and then fail to write regularly and with affection. As I say to such a woman, the children doubtless love you, but their days are full. Besides, few people are good at writing letters.

Smoetimes I ask the woman if, when she was first married, she

SUMMERTIME is a happy time of year for the children in Alberta. Not only do they look forward to regular periods of play, but the growing things of nature give them plenty of scope for their curiosity.

PROGRESSIVE CONSERVATIVE POLICY FOR DEVELOPMENT IN THE NORTH

FARM POLICY

The 12-point Progressive Conservative program for prosperity in agriculture will include positive action to bring power to farms at reasonable cost, a farm credit program that will loan up to $25,000 over 30 years at 4% interest for young starting farmers and not over one per cent above the province's borrowing rates for established farmers, loans to be made on land, buildings, equipment, improvements and breeding stock;

noyed and so likely to flare in anger.

Some of the worst grouches I have known had a very sweet side to them.

Dr. Walter C Alvarez

When I found this side, and loved the person for it, I made myself a wonderful friend.

I often think, as I hear people talking, that all of us ought to try to be more charitable in regard to the mistakes, weaknesses, and inadequacies of others. Many years ago, I would sometimes feel like chiding my secretary for making a mistake or for forgetting something but as time passed, I saw ever more clearly that, on many occasions, when absent-minded or preoccupied, I myself made the same mistake. Hence, why should I scold the secretary?

Much of the unhappiness of some persons is due to their feeling that others do not treat them with all the consideration they deserve. They are angered at times by what they think is a lack of respect, courtesy, kindness, thoughtfulness or understanding that they think is their due.

Many a mother suffers when her grown children go to college or get

the **BANK** *that service built*

It includes improvements in education, including the opening of the school of agriculture at Fairview. It includes crop insurance, improvement of rural telephone service, improved livestock policies. It is a program to help farmers to help themselves to cut production costs.

NORTHERN GROWTH

The Progressive Conservative program includes development of the potential of the north through a road network for northern Alberta, the development of hydro electric power, loans for frontier development, and rural industrialization through a new Alberta Industrial Development Bank and an Alberta Development Council.

A Progressive Conservative Government will take out of its pigeon hole the report of the Royal Commission on Northern Development and determine if there is positive action recommended that would accelerate northern growth.

MUNICIPAL DEBT

The Progressive Conservative Party stands for a fair deal for the Municipalities. It rejects the policies that give the Provincial Government a surplus of $350 million dollars and the Municipalities debts of over $300 for every man, woman and child in Alberta — a debt chargeable to our homes and farms. A Progressive Conservative Government will give a new, fair deal to Alberta municipalities.

The Progressive Conservative Party stands for a policy of growth—For a Greater Alberta. It condemns the indifferent neglect of the NORTH!

THE Homemaker

By EDITH WITNEY

On busy days you can work in e garden a few minutes longer ien you can depend on your essure cooker to do the vege- les in record time. In canning ason, pressure canning for ve- tables and meat is the most hly recommended.

Like any other piece of equip- nt, it's performance depends to great extent upon the care it is ven.

Don't — Let food or water stand the pan overnight, or longer. e alkali in the food and water ses the aluminum to pit.

Don't — Store the pan with the tightly closed. A good way to re it is to lay the lid, upside wn across the top of the pan. This protects the vent and keeps pan odorless.

Don't — Ruin the sealing edge en stirring food in the cooker striking the spoon on the edge the pan. Aluminum is a soft tal which dents easily.

Don't — Fill the pressure sauce- n more than two-thirds full. erwise food may boil up and g the vent.

Do — Be sure the pressure is duced to zero before you open pan. If you force the pan open fore all the pressure is down d particles may be blown out th the danger of burning some- e.

Do — Keep the air vent clean. erwise pressure builds up caus- the safety device to "blow"

oyce Breau Feted t Shower Party

AC LA BICHE — A miscellan- us shower was held in the Ro- n Catholic rectory May 20 for ss Joyce Breau, whose marriage Mr. Henry Bandura will take ce June 6. The room was beau- lly decorated with pink and ite streamers and bells and all Japanese parasols. Appro- ate music was played by Mrs. Joncas as the guest of honor s escorted to the bride's chair. n amusing skit was enacted by s. Marion Bouvier, Mrs. Bob ncas and Mrs. A. Lizzotte, after ich the gifts were brought in a prettily decorated pram.

Assisting Miss Breau in opening many lovely gifts were her ter Lynn and Miss Cecille Rudi- .

Mrs. Bob Joncas presided at the no for several numbers in song. dainty lunch was served by the lies.

Acting as hostesses for the eve- ng were: Mrs. L. Peltier, Mrs. Dumas, Mrs. M. Bouvier, Mrs. . Hamilton, Mrs. M. Maccagno, rs. H. Marchildon, Mrs. Rene izzoli, Mrs. F. Scott, Mrs. G. ranchuk, Mrs. L. Rudiger and rs. L. Badry.

Ellscott

—Joe and Nellie Lovely, Ellscott.

Town of Lac la Biche

Report on Natural Gas Franchise Proposal

I—SYNOPSIS

The purpose of this report is to assess and make recommendations upon the proposals that have been submitted for the installation, operation and supply of natural gas to the Town of Lac la Biche, Alberta.

The proposals were submitted as the result of a call for tenders by the Town of Lac la Biche which closed at 8:00 o'clock p.m., April 1st, 1959.

The proposals that were reviewed by the Town of Lac la Biche were as follows:

(a) Northland Utilities Ltd.,
(b) Plains-Western Gas & Electric Co. Ltd.,
(c) A proposal on behalf of the Town which includes the capital and operating costs prepared by Associated Engineering Services Ltd. in conjunction with a preliminary proposal submitted by W. A. McBean & Associates on behalf of Prairie Utility Management Ltd.
(d) A proposal on behalf of the Town which includes the capital and operating costs prepared by Associated Engineering Services Ltd. but operated by the Town of Lac la Biche.
(e) A Town operated and owned distribution system purchasing gas at a station gate owned by others.

II—REPORT

The proposals that were submitted by Northland Utilities Ltd., Plains-Western Gas & Electric Co. Ltd., and the proposal submitted on behalf of the Town are reviewed in this report.

1. Service would be available in approximately 120 days from the date of the signing of agreements, or in the instant of the Town owned system the time required to arrange the financing and construction.
2. Rates set out by the interested companies are not identical but the general rates would cost the owner of a standard house (175,000 c.f./yr.) approximately $105 to $108 per year.
3. Service lines connection policies vary with Northland Utilities Ltd. providing free connections for a period of two years, Plains-Western Gas & Electric Co. Ltd., for the term of the franchise, and the Town system policy is open and can be set by the Town as they see fit.
4. Renewal features are similar in the case of Plains-Western Gas & Electric Co. Ltd. and Northland Utilities Ltd., i.e. ten years with renewal terms of ten years.
5. Purchase by the Town - Northland Utilities Ltd. provides for this after ten years, Plains-Western Gas & Electric Co. Ltd. after ten years or if they apply for a rate increase. Both provide for arbitration by the Board of Public Utility Commissioners in the case of dispute over the selling price. The Board of Public Utility Commissioners is the final authority.
6. Evidence of financial responsibility has been provided by both Northland Utilities Ltd. and Plains-Western Gas & Electric Co. Ltd. Financing arrangements for a Town owned system have not been established.
7. Economic reports have been completed as requested by Plains-Western Gas & Electric Co. Ltd. and Northland Utilities Ltd. For the Town system a reasonable average was selected.
8. The cost of gas in all cases was the same except in (e) where the Town purchased gas at a gate station within the Town. Purchases of gas are covered by a letter from Sage Oil Company dated March 13, 1959.
9. Areas served are similar in all cases and are within the Town limits.
10. Plans of distribution were submitted as requested.

In the following analyses, Lac la Biche (A) refers to a complete Town owned system, operated by a Management Company, Lac la Biche (B) refers to the same system operated by Town employees, Lac la Biche (C) refers to a Town owned distribution system operated by Town employees.

Based upon rates as they appear in the schedules that have been submitted the following is the five year cost to the Town of each proposal (construction year excluded), and at consumptions adopted as an average.

Consumption (Excluding Power Plant)

Year 1	55,600 m.c.f.
Year 2	66,800 m.c.f.
Year 3	76,800 m.f.c.
Year 4	84,800 m.c.f.
Year 5	94,200 m.c.f.

Northland Utilities Ltd. Gross	$218,080	
Less Taxes (Property)	4,528	
Less Power Rate Adjustment	40,240	
Net Cost to Town		$173,312
Plains-Western Gas & Electric Co. Ltd. Gross	$212,454	
Less Taxes (Property)	9,350	
Net Cost to Town		$203,104
Lac la Biche (A) Gross	$208.740	
Add Deficit	24,950	
Less Profit	22,220	
Net Cost to Town		$211,470
Lac la Biche (B) Gross	$201,182	
Less 5 Year Operating Surplus	5 968	
Net Cost to Town		$195,214
Lac la Biche (C) Gross	$210,240	
Add Construction	12,495	
Add Deficit (5 Year)	3,784	
Net Cost to the Town		$226,519

In respect to Lac la Biche (B), Lac la Biche (C), and Northland Utilities Ltd., the Hospital is charged at the industrial rate as set out by Northland Utilities Ltd. The rate for the Hospital in the remaining cases is higher.

In view of the foregoing and based upon more recent information received, we retabulated the Northland Utilities Ltd. and Lac la Biche (B) systems over a 10 year period. In so doing we have assumed that Northland Utilities Ltd. would NOT offer a reduction in gas rates in this period. We draw attention to the fact that in retabulation, no allowance is made in either case for reduced power rates.

Northland Utilities Ltd.

1st 5 Year Net Cost	$213.552.00
2nd 5 Year Net Cost	308,790.00
10 Year Total	$522,342.00

Lac la Biche (B)

Adjusted for new insurance schedule, financing and sale of gas to Power Plant.

1st 5 Year Net Cost	$202.574.00
2nd 5 Year Net Cost	270,410.00
10 Year Total	$472 984.00

From this retabulation it would appear that a saving of $5.000 per year can accrue to the Town. It is pointed out that these savings are predicated on a number of variables, any one of which could materially reduce this figure. These variables are:

1. Sales of equal volumes of gas by both systems to the power plant.
2. Same power rate reduction is allowed to the Town if gas purchased from either system.
3. That money for construction will be available to the Town and that it will be available at 5½%.
4. That the Town must undertake to guarantee a debt initially of $165,000, which debt must be paid regardless of what happens to the gas supply.
5. That insurance can be obtained and at the rates proposed. In this regard we point out that an accident of even minor proportions could add approximately $3.000 per year to operating costs.
6. The Town can not force Northland Utilities Ltd. to purchase gas for the power plant and that Northland Utilities Ltd. if it so wishes can apply to the Board to construct its own line to the power plant.
7. It is most unlikely gas will be provided to the Town this year if applications and hearings are held up for financing or other requirements.

It would be late June before financing would be approved by the Municipal Financing Corporation, but if this application is rejected for any reason other arrangements will have to be made which may involve further delays. Any group preparing to construct this system must be prepared to allow a minimum of 90 days and preferably 120 days to purchase materials, arrange for contracts, and undertake the actual construction. Following this period and upon completion of all tests, changeovers in houses would be required which would be a major undertaking in itself.

In establishing costs for Lac la Biche (C), the purchase rate of gas used was 27c/mcf. It has since been established that this rate should be 27½c/mcf. However, this proposal is far out of line now and should be disregarded.

The following further items of interest are mentioned.

Natural gas at 50c/mcf and with a heat content of 950 BTU cu. ft. is equivalent to propane at 5.79c per gallon and fuel oil at 8.9c/Imp. gallon. A delay of one year in installing this gas system will cost the people of Lac la Biche approximately $30,000 plus any power rate benefit they might receive.

Northland Utilities Ltd. declined to operate a Town owned system pointing out the problems of insurance and divided responsibility attendant with such an undertaking.

It is essential that comprehensive insurance be carried by the owners of any gas system. We wish to point out, that while we believe insurance can be obtained by the Town, we have been unable at this time to obtain a firm rate on such insurance. Both public utility companies submitting proposals are covered by such insurance.

III.—REVIEW

Some considerable thought has been given to the suggestion the Town own and operate its own gas utility. As yet we have been unable to establish that financing arrangements can be completed. However, on the assumption that such arrangements can be made to the satisfaction of the council, it would appear the Town can have its own system and return a profit of approximately $5 000 per year over a 10 year period providing always that the variables do not upset this figure.

IV—CONCLUSION

In view of the foregoing remarks, we feel the Town should give serious consideration to the proposals submitted. If it is the Town's wish to give further consideration to their own system, we recommend the by-law to permit the borrowing of funds be prepared and approved by the Board of Public Utility Commissioners for presentation to the voters as soon as possible.

We also recommend that a letter be directed to the Minister of Mines and Minerals advising him that an application will be made to construct the system upon approval of the necessary by-laws by the voters.

While this action is being undertaken, we are prepared to draw up an Economic and Feasibility Report for presentation to the Oil & Gas Conservation Board to support your application to build the system.

Mr. Magera Addresses Home And School Meeting On Agriculture

BOYLE — The May Home and School Association meeting was opened with "O, Canada," followed by the minutes of the last meeting.

Under the direction of their teacher the grade 1 class gave a play called "Mother"; "You Are My Mother" was sung by Rose Marie Wili and Anna Tremblay; a piano solo was played by Miss Louiselle; the Dorosh boys sang the "Old Grey Goose," and the grade 2 class sang "Our Mother."

Mother's Day flowers were presented to Y. Kabayama, vice-principal, for the mother of the largest family; Mrs. James McNamara Sr. for the oldest mother; Mrs. Frank Bentler for the youngest mother and a single flower to all mothers.

As guest speaker Mr. Magera was asked for his interesting talk on agriculture. He said that agriculture is a popular undertaking, but not one that is well accepted by parents and students. He gave suggestions for planting flowers and shrubs around the home and school and mentioned the interest taken by Boyle and Grassland students in beautifying their school grounds. To conclude, Mr. Magera showed some interesting slides on landscaping which is done in the county of Athabasca.

Mr. Kabayama then gave a short talk on how some students use the school as a playhouse instead of a house of learning. He stressed that a good many high school students will have to buckle down to learning or they may find themselves doing a different job instead of going to school.

The meeting was adjourned and lunch was served by the ladies.

Hospital Notes

Patients in St. Catherine's Hospital, Lac la Biche: Gerald Karpyshyn, Rich Lake; Marlene Smallface, Beaver Lake; Debra Gordey, Caslan; Mrs. George Mahowich, Venice; Mrs. Alex Lozinski, Hylo; Archie Mountain, Barnegat; Mrs. Fridof Maki, Rich Lake; Lawrence Wolansky, Casian; Leona Thompson, Kikino; Philomena Blood, Imperial Mills; Mrs. Philias St. Jean, Amesbury; Mereena Erasmus, Kikino; Morley Smith, Amesbury; Mrs. Max Stevens, Rich Lake; Mrs. Herman Buchenel, Lac la Biche Mission; Jane John, Grassland; Kenneth Morris Cardinal, Imperial Mills; Kay Abramic, McRae; Isabelle Boulanger, Lac la Biche; Simon Ferriere, Plamondon; Randy Sampietro, Lac la Biche; Shirley Bourque, Mile 199; Anton Chwedoruk, Lac la Biche; Mrs. Mike Kolmatychi, Frains; Mrs. Maurice A. Due to the serious illness of their father, who is a patient in St. Catherine's Hospital suffering from a heart attack several members of the Richard family were called home. Those here at present include Sister Angele from Michigan, Evette of Oyen, Denise of Edmonton, and Urban of Cornwallis, Nova Scotia. Latest report is that Mr. Richard is slightly improved.

Orville Ellis left on Sunday to make his home in Edmonton with Mr. and Mrs. Percy Brinsmead.

Guests at the Jake Klein home over the weekend were a brother and sister-in-law, Mr. and Mrs. John Klein of Edmonton and Mrs. Rose Mattern, mother of Mrs. Klein from Glentworth, Sask. Mrs. Mattern plans to spend a few weeks with her daughter here.

Mr. and Mrs. Alex Lemay and family of Edmonton visited at the Ivan Ewanchuk home over the Victoria Day weekend. Mr. Lemay and Mrs. Ewanchuk are brother and sister.

Guests at the home of Mr. and Mrs. Bob Joncas over the long weekend included Mrs. Joncas' mother, Mrs. Mary Bissette; her brother and sister-in-law, Mr. and Mrs. Guy Bissette and children, Mrs. L. Dachand and family and Charlie Dachand all of Edmonton.

Miss Francis Wiethold of Hines Creek is spending several days with her aunt, Mrs. J. Booker, prior to leaving for Quebec where she will enter the RCAF.

Mr. and Mrs. Ed Lloyd, Mr. and Mrs. Ronnie Lloyd and daughter Tammy spent Sunday with Mr. and Mrs. Jimmie Lloyd at Cold Lake. They returned on Monday, accompanied by Mr. and Mrs. Stanley Cormier and two daughters and Jimmie and Tillie Lloyd and small daughter Patricia.

Spring time seems to be moving time. Several families changed houses during the past few weeks. George Langevins moved to the new home they are constructing on McKenzie Avenue, next to the Evangelical Free Church. Albert Carriers now occupy the former Langevin house. Ivan Ewanchuks have purchased the house vacated by the Carriers and Mr. and Mrs. Stan Powers and family, who resided near the Mission for the winter, now occupy the Ewanchuk house on Alberta Avenue. Pete Sorochans have purchased the Brinsmead home and will be taking possession shortly.

Mr. and Mrs. John Hackman had as their guests over the Victoria Day weekend: Mr. and Mrs. William Hackman, Miss Ann Thomas and George Zimmer of Edmonton; Andrew Calinchuk and John Dudtka of Derwent. The visitors were greatly impressed by the excellent fishing they enjoyed at Beaver Lake.

Club Notes

FRAINS — The Ukrainian Greek Orthodox Ladies' Club held a meeting in Frains School Sunday, May 17.

The church service and supper to follow May 31 was the main subject of discussion.

Mrs. H. Brygorni Dies In Edmonton

Ellscott may be a small place but in it, and the surrounding district, live the grandest persons one could wish to meet. California may have its oranges and sunshine, Bermuda palms and beaches, Vancouver its roses, but Ellscott has dependable friends.

Joe and Nellie Lovely's farms were not large enough to accommodate all the friends who wanted to help. On May 21, a day long to be remembered by all, 15 men, tractors and machinery drove in to seed the crop.

The ladies were there to help supply and prepare food for the men, and by afternoon all was done.

The United Grain Growers agent at Ellscott, Pete Pelsma, and his wife Phyllis, were there to help organize and do all they could to make it a success.

Those who helped out were: Ken Sacre, Mike Klem, Leonard Knoblock, Joe Cutrel, Harry Mannen, Ginty Tanski, Bert Weigl, Reinold Siefried, Frank Weigl, Harry Keep, Jergon Malmedal, Claude Hutton, Fred Shemata, Carl Neil, John Zallas and George Wellwood.

Lac la Biche Mission

Many strangers took part when Lac la Biche was opened for whitefish fishing recently. A portion of the fish was consumed locally and the remainder shipped to New York.

Fernand Cloutier and family of Edmonton were weekend guests of relatives in this district.

Oscar Bourque was a recent business visitor here.

Mrs. H. Bushenel is a patient in the Lac la Biche hospital where she will undergo surgery.

Paul Parrento is the enumerator in this district for the coming provincial election.

Emile Cloutier underwent surgery at Lac la Biche Hospital and is now staying at his parents' home.

Mrs. Blanche Maldahower went to Edmonton recently to attend the funeral of her brother, J. Facette.

Mr. and Mrs. Hilaire Ladouceur visited Mrs. Bob Ladouceur in the University Hospital in Edmonton recently.

The parish picnic will be held at the Mission May 31. Everyone is welcome.

Paul Parrento spent some time at Lac la Biche Hospital for medical treatment.

John Robert has been a patient in the hospital and is now improving.

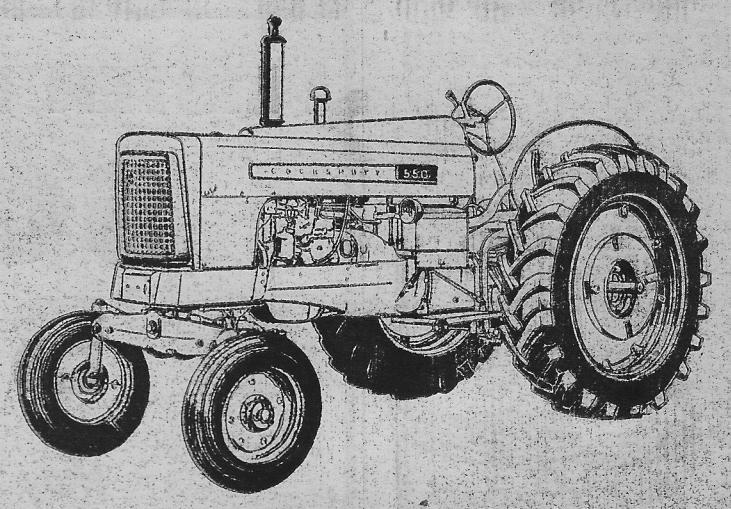
FOR SALE

The Alberta Wheat Pool has for sale by tender a 24x28 1½ storey six-room dwelling and a 12x22 garage located in the Hamlet of Venice on part of the N.E. ¼, Section 11, Township 66, Range 12, W4th.

Forms for submitting tender may be obtained from the Alberta Wheat Pool agent at Lac La Biche. Highest or any bid not necessarily accepted. Bids will be dealt with thirty days after ad appears.

The property does not go with the buildings as it is leased from the Government. The lease expires on August 1st, 1959. Therefore, it will be necessary that these buildings be removed from the property or arrangements be made to renew the lease from the Provincial Government.

The NEW and the BOLD
Cockshutt 550 Tractor


See this Cockshutt 550 3-plow Gas Tractor for '59

Great engineering has made this a great 3-Plow Tractor. You'll like its rugged good looks—its power capacity—its smoother 3-Plow versatility, but even more important, you'll like its amazing new economy performance! Yes, you'll like this new 550 . . . like it from every angle and by every comparison. See this thrifty 550 first! It's power-ific!

New depth and draft control keeps 3-point hitch implements at pre-set level of depth. When going is slow—conditions are tough—the weight of the implement and draft is automatically transferred to the rear wheels. This matches traction to soil conditions, means more pull when you need it—faster operation without excess built-in weight—more work with less fuel.

See this and other Cockshutt models now at . . .
PHILIP PLAMONDON'S
PLAMONDON Alberta

HISTORY OF GRADUATING CLASS DR. W. H. SWIFT HIGH SCHOOL

(Continued from Page 4)

zing that this was not the proper thing to do for a girl, she changed to more womanly ways. After trying several schools, she at last settled for LLB. With the opening of the gym, Carole discovered that she is an accomplished basketball player, because she finds the basket quite low.

Paul Rudiger—

Back during the war years in November, a boy was born who will always be remembered for his great contribution to school. Not for the working or studying part of school, but for the enjoyment of school. Paul is full of fun and deviltry and likes to tease. He likes goofing in the halls, and shooting spit balls. All these pranks keep the teachers on the go.

Paul is always light of heart,
Even when his Buick is falling apart.

Doreen Caron—

When she began school Doreen was a miniature Amazon. She would pick on every boy in Briereville School. Because of this trait Doreen had to keep changing school constantly. Upon entering high school, the impish spark in her dwindled down. She set to work with enthusiasm and vigor.

Now she's so cheerful and such a delight
She makes a dreary day seem bright.

Evelyn Poholski—

Throughout her schooling which began at Hylo Evelyn was a shy girl. It has been reported confidentially that she had a fiery temper. However, we now see little trace of either the shyness or the temper.

She works hard at her studies,
Excels in art;
But right now seems involved
In an affair of the heart.

Julius Owchar—

From his birth Julius was destined to be the "terror" of Hylo school.

During class, scarring mischief was his deilght;
Then he would smile and say, "That's all right."
A cheerful young lad, full of nonsense and fun,
But also! Very seldom is his homework done.

Carol Stewart—

Because Carol took such a liking to her parents, she just tagged along when they moved from Winnipeg to Edmonton & lastly to LLB. Here, Carol is finishing her schooling. During class, Carol is known to be a reader of the dictionary. Because her father is a pharmacist, she has decided to follow in his footsteps. As she was an honor student in Grade IX, she seems to be heading for that same position today.

In her future profession she'll roll the pills
To stop all your tummy aches, cure your ills.

Jo-Ann Giacobbo—

Venice, Alberta is as famous for happy people as Venice, Italy is for its islands and gondolas. Six years ago, Jo-Ann came to us. She is the ray of sunshine in every corner in her classroom and has a limitless supply of articles to loan to needy students — erasers, pencils, and even lipstick to serve as warpaint for her classmates when they play wild Indians.

Tom Trefanenko—

During a March blizzard the stork lost his bearings and dropped a 9-pound bundle of noise at the door of Mr. and Mrs. Trefanenko. After consuming untold bottles of milk he grew so that he could propel himself on all fours. About this time the family migrated to Wandering River, and there Tom had his first experience in the three R's. Books agreed with his digestion, and he continued his studies in Wandering River until the past year when he decided his education needed a little finesse. He therefore moved to Lac la Biche.

Here he is noted for his smile.
He thinks that schooling is worthwhile.

Eileen Waine—

She comes form a place which has a wealth of pretty girls—so much so that it is called Rich Lake. Eileen took her Grade eleven there last year, and came this year to take Grade twelve at Lac la Biche. We understand that "Waine" means a wagon to bring home the harvest, but in her chosen profession she will be riding a new jet-propelled medicine cart down hospital corridors.

Victor Sorochan—

A former student of Dr. Swift School, Victor has returned on leave without pay, after three years of service in the Air Force, for a reason best explained in his own words: "Today the outside world demands more than just the three R's" His favorite saying before a test is "This is it." Victor still considers service life as his career.

See him in a uniform, so handsome and tall
That all the girls for him will fall.

Allan Southwick—

Back about 1940 when war was raging in Europe, a weary stork dropped a large happy bundle at the door of a trading post at Fort Smith. Before Allan learned to walk his parents moved to Leduc, where they lived for several years. Later, in 1954, Allan moved to Lac la Biche, where he resumed his studies. Because of his great porficiency in Sea Cadet work he was chosen last year for a round-the-world cruise.

The girls like his manner, also his looks,
But 'til June he is engrossed very deeply in books.

Leona Rosa—

Leona became part of the Rosa clan on a cold wintry day in November. She went to school in the gay settlement of Caslan until she moved to the still gayer town of Lac la Biche three years ago.

In Saint Catherine's hospital
She is renowned for her cooking
She was our queen of the Mardi Gras
Because she is very good looking.

Simonne Girard—

Simonne came here form Plamondon two years ago. She liked it so much last year that she stayed this year too. She writes such refreshing original essays, especially on such subjects as "Brothers Can Be An Asset," that we wonder where she gets her inspiration — maybe it's her French ancestry.

Celine Langevin—

Not to mention the fact that Celine has taken all her schooling in Lac la Biche, she is a most unusual girl — very industrious.

When most of us feel like seeking trench,
She puts over lessons in the mc difficult French.

Celine is a girl who is debonaire
Oui, oui, I mean that French gir there.

Bernidine Bendfeld—

She came in November to Lac Biche;
To find a good school was he greatest wish.
She must have liked it here i town,
For, as you see, she is still arour
Bernidine does good work in clas
We feel quite sure she is going pass.
The pure air she breathes at he greater height
Keeps her mind always clear, an her health just right.

Atmore

The Rev. Mr. Monro of Lac Biche, accompanied by his w and daughter, conducted a servi with a large congregation prese in the Atmore Community hall May 17.

Eugene Stanchfield motored Edmonton to attend the graduati ceremonies May 16. He visited f ends there over the long weeker

The Plamondon track-meet w held May 21 at Lac la Biche wi many district students particip ing.

The show held in the Atmc community hall May 21 attracted large crowd.

Mr. and Mrs. Hadley, recent s tlers in the district, are fixing the house and yard, purchas from Mrs. Nellie Baldwin.

Most humans could impro their minds by doing more liste ing and less talking.

FBI Gospel Team To Visit Hylo Lac la Biche Churches On May 31

A gospel team from the Prairie Bible Institute, Three Hills, Alberta, will be at the Evangelical Free Church in Hylo at 3:30 p.m. in Lac la Biche at 7:30 p.m. on Sunday, May 31.

The team is headed by Rev. C. Dean Brown, prairie faculty member. Other members of the group are Cornelius Enns, a soloist and member of the prairie faculty and formerly with the Janz quartet; Bernard Wiebe, song leader, vocalist, and Bible school graduate of 1959 and Will Irving, team pianist and prairie faculty member.

The Prairie Bible Institute beginning in 1922 with an enrollment of eight students now has a Bible School and High School attendance of over one thousand. Prairie is a missionary training school: over one thousand former students are serving Christ on Foreign mission fields and hundreds are engaged in pastoral and other Christian service in Canada and the United States. The principal of the Institute, L. E. Maxwell, is well known as a Bible teacher, editor of the Prairie Overcomer, and author of three inspiring books, Born Crucified, Crowded to Christ, and Abandoned to Christ. He broadcasts weekly in this area over CFCW, Camrose, on Sundays at 5:30 p.m.

In 1949, Mr. Brown graduated from Bible School in Ardmore, Oklahoma. After graduation, he became pastor of the Beacon Baptist Church in Wichita Falls, Texas. He then spent one year in rural mission work in Colorado. During the following five years, he pastored the Grace Bible Church in Pueblo, Colorado. Since joining the Institute staff in January 1956, his services have been in demand by many local congregations.

Caslan

John Palylyk, Glen Meyer, Steve Cherniwchan, Bill Walansky and Elmer Meyer were the Social Credit delegates from this district who attended the nominating convention in Lac la Biche.

Mrs. Stanley Cislo motored to Edmonton recently.

Lloyd Wolansky was a recent patient in the Lac la Biche hospital. Glen Meyer is the enumerator in this district for the coming provincial election.

Mrs. Willard Ladouceur is a patient in an Edmonton hospital. Her husband accompanied her to the city.

The Caslan school children attended the track meet in Lac la Biche last week. Gloria and Margaret Henson and Marjorie Cherniwchan won crests for events in which they participated.

Alex Gordon Jr. has gone to Fort Smith, NWT, where he plans to find employment.

Mrs. A. Slamko has returned to her farm after spending the winter in Edmonton.

Mrs. Effie Boyd of Calgary was the guest of relatives in the district. Mrs. A. Cherniwchan returned to Calgary with her daughter and will visit there a couple of weeks.

Harold Hirst and family of Edmonton visited the Wolansky and Cherniwchan families over the weekend.

Two-In-One Party Held At Bayview

BAYVIEW — A party was held at the home of Mr. and Mrs. Alex Stratton May 16. It held a double honor.

Miss Clara Stratton and Mr. Mits Iwaasa were congratulated on their recent engagement. That evening G. Ladouceur celebrated his 47th birthday.

Dancing was enjoyed through the evening. A lunch, followed by a large birthday cake, was served.

Among persons present from out of town were: Jack and Allan Leutitt, Edmonton; Mrs. M. Sernjak, Medicine Hat, Joe Ladouceur and Victor Ossapchuk, Edmonton, and Peter Shapka, Charron.

Owl River

Mr. and Mrs. A. Brooks were recent visitors at the home of Mr. and Mrs. F. Thompson.

A. Lamoureux of Imperial Mills paid a short visit to Clyde Diesel last week.

Mr. and Mrs. M. A. Diesel and John are moving to their new home in Lac la Biche.

Several Wainwright residents were district visitors recently.

Ludwig T. Diesel, who owns and operates the Owl River school bus made two special trips to Heart River School at Imperial Mills to provide transportation for the children and teacher, Miss Gladys Trefenanko, to attend the track meet in Lac la Biche.

W. Hamilton Again Elected President

LAC LA BICHE—The executive for the Liberal Constituency Association was elected last week: president, Wm. Hamilton; 1st vice-president, Andre Piquette; 2nd vice-president, Joe Dakin; 3rd vice-president, A. Durocher; secretary, Oscar Tremblay.

In the 14th century some fashionable Englishmen wore shoes so long the toes were fastened to their knees.

Support the Positive Farm Policies of the Progressive Conservative Party

During the period from 1951 to 1956 the net income of the average Alberta farm family has dropped steadily from $3,602.00 to $3,037.00 per annum. Meanwhile annual income of the average Canadian family has increased by $750 per year.

The late Liberal administration insisted there was nothing they could do for our farmers. As a result farmers missed out in some part, on the post-war boom.

The Social Credit Government has done nothing for Alberta farmers. For positive policies and a realistic and helpful farm program, it is time for change to a Progressive Conservative Government in Alberta.

Progressive Conservatives in Alberta recognize that many farmers are caught in a cost-price squeeze. They recognize that a provincial government can do relatively little in an effort to raise sales prices. But there are positive policies that would have the effect of lowering farm costs.

A Progressive Conservative government in Alberta will implement positive policies to RAISE NET FARM INCOME through reducing farm costs. This the Social Credit government has conspicuously failed to do over the past twenty-four years.

Electors of Lac la Biche Constituency!

By voting for Henry Thompson you are voting for a man well known in the constituency, who will work ceaselessly and tirelessly for the constituency. Get yourself a FULL-TIME employee — not just a part-timer!

On June 18th vote for the man, who with his party, is interested in the welfare of the Alberta farmer. Vote for Henry Thompson.

Mark your ballot . . .

CLASS B

Standing Broad Jump

BOYS—1, Kenny Nickolaychuk, Lac la Biche; 2, Dennis Burdek, Craigend; 3, Raymond Plamondon, Plamondon.

GIRLS—1, Joyce Huser, Rich Lake; 2, Gail Gunderman, Rich

(Continued on Page 8)

SOCIAL CREDIT 5-YEAR PLAN "A COVER-UP" CLAIMS R. HALL

ATHABASCA — At a well-attended Liberal nominating convention held in Athabasca on Wednesday, May 20, Richard Hall was chosen by acclamation. Richard Hall represented the Provincial Athabasca Constituency for the last four years in the Provincial House.

Richard Hall stated that "the Social Credit party was going to the people with a 5-year program —a program they hoped would cover up the squandering of $21,000,000 in dividends. The giving away of this $21,000,000 in small parcels during the last two years was of no lasting benefit to the people of the province. Had this money been invested in roads, telephones and chronic hospitals and many other ways we would still be enjoying the benefits of it today."

He said "It was the Liberal party who brought in motion after motion that this surplus oil money of $21,000,000 be spent wisely. Spent for grants and bursaries to students who need financial help in obtaining a higher education. Spent for homes for the senior citizens of the province—for hospitals and chronic hospitals that we need so badly in the province." Mr. Hall stated "That Social Credit party turned down all the Liberal motions for wise and lasting spending of the surplus oil money—but by popular demand of the people in the province and the Liberal party the dividends have been discontinued and the money will now be spent with lasting benefits."

Richard Hall said "the 5-year plan was good, but not good enough to meet the present needs of the province. "He asked what part of the 5-year plan was designed for the farm problem? How was the Social Credit party proposed to assist the low income farm? "The Liberal party has a program of long term, low interest rate loans to assist farmers to compete in a highly competitive agricultural industry.

The Liberal party will conduct a thorough search for better markets for Alberta agricultural products. The Liberal party recognizes the rising tax burden on all property owners and will see that fairer sums of the oil money will bring relief to our present high taxes. The need for telephones in the rural areas has now become a necessity. Since the province of Alberta holds the telephone franchise in this province it is long overdue in providing adequate rural lines. Roads, both market and highways have been long neglected in this constituency through lack of fair share of the vast sums of oil money.

RICHARD E. HALL

Alfred Mscyk who represented the Redwater constituency in the last legislature and a farmer stressed the need for a solution to the farm problem.

Mike Macaggno of Lac la Biche and Abe Miller of Edmonton outlined the reason why the people are seeking a chance in Alberta.

Wandering River

Paul Rebkowich has returned to Calgary where he is employed after spending the past two weeks at home with his parents.

Many farmers from the district attended the convention in Lac la Biche recently.

Due to the fine warm weather spring work is progressing rapidly.

Vote for MIKE!

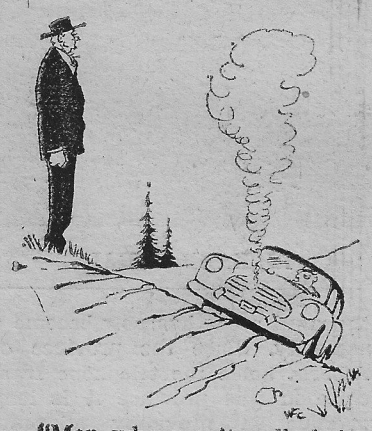
The Country Parson



"Men who won't pull their load should at least try — even a failing automobile will boil trying."

Manitoba Govt. Wins Majority

The final standings in the Manitoba elections give the following results: P. C. 34, Liberal Prog. 11, CCF 10, Ind. 1, deferred 2 for a total of 57.

The results show that the PC's have gained eight more seats than in the 1958 general election. The CCF leader, Mr. Stinson lost his seat in the legislature. The Manitoba voters gave the government of Premier Duff Roblin a clear mandate to carry on for a four year term.

Ball Notes

The Busby boys Pony team beat the St. Albert boys in a close game at Busby May 17. The score was 13-10.

The Busby girls lost to the Dunstable girls 40-38 at Dunstable May 17.

Pioneer Resident Buried At Boyle

BOYLE — Funeral services were held in the Greek Catholic Church, Boyle, for Mary Juse Sr., 90, who passed away in the Old Folks' Home in Athabasca. Father Pawlyk officiated and interment was made in the Greek Catholic cemetery, four miles north of Boyle.

Mrs. Juse came to Canada in 1897 to the Scaro district, later moving to Opal and then to a farm eight miles southwest of Boyle. In 1944, she and her husband retired, moving to Edmonton and later again to Boyle.

She leaves two sons, Nick and Frank, both of Boyle; two daughters, Julie Osophear of Port Kells, B.C., and Lena Mazar of Edmonton; one sister and one brother, Mrs. F. Bencharsky of Boyle and Harry Loputinski of Chilliwack, B.C.; 17 grandchildren and 23 great-grandchildren.

Pallbearers were: Nick Juse, Frank Juse, Mike Juse, Nick Mazar, Paul Sharun and Roman Humeny.

Her husband passed away five weeks before her death.

The average life of an automobile tire is approximately five times longer than it was 30 years ago.

MICHAEL HAMAR
LAC LA BICHE Alberta

VOTERS OF LAC LA BICHE!

Here's What a Liberal Government Will Do For You . . .

MICHAEL MACCAGNO, who has served this constituency as a member of the legislature for the past four years, stands behind the Liberal programme for the benefit of Alberta farmers.

1. Provide immediate tax relief for property owners by paying a bigger share of the local cost of education. (The Liberal government would assume all "approved level" education costs above a certain uniform mill rate based on equalized assessment) Twenty mills is the proposed rate beyond which the government would pick up the costs.
2. Provide agricultural loans up to $25,000 with low interest rates and long-term repayment plan, covering the whole field of farm operations and relieving municipal authorities from the liability and administration.
3. Set up a permanent and non-political highway commission to plan long-term road and highway programs.
4. Encourage the exploration, development, increased domestic use and export of natural gas, assuring reasonable and proper preferences of supply and price to Alberta consumers and seeing to it that all communities adjacent to pipelines or gasfields be given access to supplies.
5. Make modern utilities such as electric power, telephones and natural gas available at reasonable cost to the greatest possible number of rural residents.
6. A new deal for the long-neglected north:
   a. Immediate start on the construction of an all-weather highway to Ft. McMurray.
   b. Rebuild the present dangerous approach road from McMurray to McMurray Airport according to Provincial Highway standards.
   c. Begin immediate construction of a landing field for modern aircraft at Ft. Chipewyan.
7. TOURIST PROMOTION — We will embark upon a program of promoting and advertising Northern Alberta. For the Lac la Biche Constituency:
   a. Immediate construction of a causeway to Big Island.
   b. Building all-weather access roads to the many good fishing lakes throughout the area.
8. Construction of a dam across the Lac la Biche River.

Basement

YOU LAND ON THE OLD RESTAURANT STOVE, GO THROUGH THE BURIED STREET-CAR—UNDER THE OLD SHED—AND COME TO AN IRON DOOR AT THE BASEMENT.

Sand

Basement

THE ENTIRE FORTUNE IS STILL THERE—INTACT. **ANYBODY** COULD GET TO IT.

THAT WAS A DANGEROUS TRIP. YOU MEN COULD HAVE LOST YOUR LIVES IN A CAVE-IN.

TO TELL THE TRUTH—THERE WAS A MYSTERIOUS CAVE-IN AT THIS POINT JUST AS WE WERE LEAVING THE TUNNEL. TOOK US OVER AN HOUR TO DIG OUR WAY OUT.

Sand

WE STILL CAN'T FIGURE OUT WHAT CAUSED THAT SAND SLIDE.

—AND I'D SWEAR I HEARD SOMEBODY COUGH.

ALL OF WHICH, E. KENT HARDLY, EMPHASIZES THE FACT THAT YOU SHOULD KEEP AN ARMED GUARD AT THE OLD VENTILATOR TILL THE MONEY IS RECOVERED.

AND AT THE RARE FISH AQUARIUM—

WELL, WASN'T I TELLING YOU FELLOWS THE TRUTH? I DIDN'T LIE TO YOU, DID I?

WHEN I WAS CALLED TO THAT VENTILATOR TO PICK UP THE ELECTRIC EEL THAT I HAD PREVIOUSLY SOLD TO THE OLD GUY—I JUST PUT TWO AND TWO TOGETHER.

WHAT'S THAT?

THAT'S YOUR FIVE GRAND YOU SAID YOU WANTED FOR THE INFORMATION.

GLAD TO PAY YOU.

WHO WANTS $5,000?

H'M? MAYBE SIX? HUH, HILLIS? MAYBE SIX?

DON'T WORRY. YOUR BOSS ISN'T AROUND.

Reg. U. S. Pat. Off.
© 1959 by The Chicago Tribune

LOOK, THERE'S ALMOST TWO MILLION DOLLARS DOWN THERE! WHO WANTS SIX GRAND?

YOU'VE CHANGED YOUR MIND, HILLIS?

YEAH, I'M RAISING MY ANTE.

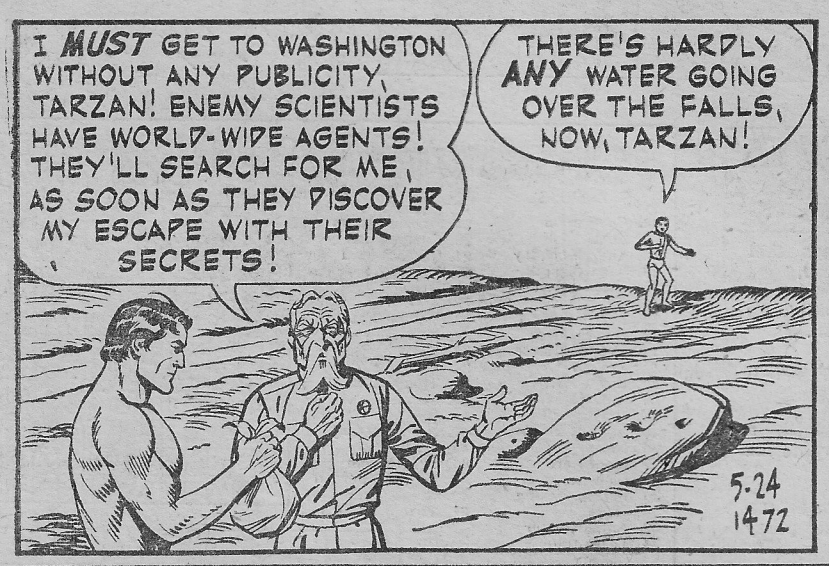
IN A PRIMEVAL RIVER'S DRY CHANNEL, 'ALL THAT GLITTERS' CAN BE - TREASURE!
Tarzan
by EDGAR RICE BURROUGHS
THE JUNGLE RIVER'S PEACE OFFERING.

TARZAN'S RUSH TO CIVILIZATION WAS THREATENED BY THE TORRENTIAL JUNGLE RIVER. THEN, OVERNIGHT, THE CHANNEL DRIED... AND IN ITS "POTHOLES" WERE FOUND GOLD NUGGETS-- AND DIAMONDS!
BILL ELLIOTT JOHN CELARDO

I HOPE NOBODY DISCOVERS THIS RIVER'S TREASURE BEFORE I CAN RETURN AND LOCATE THE SOURCE OF ITS GOLD AND DIAMONDS...
A FABULOUS WEALTH YOU MAY FIND, AND DESERVE, TARZAN-- AFTER YOU'VE HELPED ME GET OUT OF THIS JUNGLE, TO AMERICA! CIVILIZATION'S SAFETY DEPENDS ON MY ALERTING AMERICAN SCIENTISTS... BEFORE IT'S TOO LATE!

I THINK WE'VE ENOUGH NUGGETS NOW, PROFESSOR, TO LET YOU CHARTER A PLANE FOR THE UNITED STATES! LET'S GET ON OUR WAY AGAIN!
TARZAN! I'VE FOUND A VERY BIG DIAMOND!



I MUST GET TO WASHINGTON WITHOUT ANY PUBLICITY, TARZAN! ENEMY SCIENTISTS HAVE WORLD-WIDE AGENTS! THEY'LL SEARCH FOR ME, AS SOON AS THEY DISCOVER MY ESCAPE WITH THEIR SECRETS!
THERE'S HARDLY ANY WATER GOING OVER THE FALLS, NOW, TARZAN!
5-24 1472

MY KNOWLEDGE OF THEIR PLANS IS MY DEATH SENTENCE! MY MICROFILM EVIDENCE MUST REACH CIVILIZED SCIENTISTS!
I GUARD YOU, PROFESSOR, WITH MY OWN LIFE - AND LITTLE ITO'S!

Alberta District News In Brief

Spirit River Council Sets Mill Rate of 62 For Town

SPIRIT RIVER — William H. Keith was the only one nominated to fill the vacancy on the town council which was necessary because of the resignation of M. A. Menzies, who had moved from Spirit River to Kimberly, B.C. Thus Mr. Keith was elected by acclamation.

The mill rate for 1959 is set at 62 mills, made up as follows: Municipal, 21 mills; School, 37 mills; Hospital, 3 mills; Social Services, 1 mill. The expected revenue is to be distributed thus: General Government, $7,825; Public Works, $6,465; Protection, $7,650; Sanitation, $2,500; Health and Welfare, $1,530; Recreation, $940; Debt Charges, $17,615; Utilities, $1,500; Contingencies, $3,200; Discounts on early tax payments, $2,400; G.P. Health Unit, $700; School Requisitions, $28,182; Provincial Hospital Requisition, $2,170; Total, $82,734.

Representation was made to the Council to re-opening the Ladies' Rest Room for ladies' organizations and individuals. Consideration was promised.

Notices have been given that all dogs in town must be licensed or disposed of or otherwise removed from town.

Building permit was granted to the Anglican Church to move the Willowvale Church building in to town to be used as a church hall. Excavations are now underway on the back part of the lot to the west of the Anglican Church as a location for the building.

New Bus Service To Connect High Prairie And Valleyview

HIGH PRAIRIE—Following efforts of the Chamber of Commerce here, the Canadian Coachways has agreed to run a daily bus service between High Prairie and Valleyview.

For High Prairie this will connect with the new fast service Canadian Coachways offers to Edmonton via the Valleyview cut-off, and west to Grande Prairie and Dawson Creek.

Neighors Save House From Fire

WIDEWATER — Neighbors noticed smoke pouring from the roof of Mabel Courtorielle's house Thursday, May 7. They managed to extinguish the fire which was smouldering in the roof. Origin of the fire was unknown.

FWUA Sponsors Sale of Work

WANHAM - The Heart Valley FWUA sponsored a successful Mother's Day tea and sale of work May 9.

A baby blanket, raffled by the club, was won by Mrs. C. LaLonde.

The club expressed appreciation of those who attended the tea despite the stormy day.

Enormous Fish Almost Got Away

WILLINGDON — Mr. Shpur reports that while he was fishing in company with his friend Mr. Kushneer last weekend in Goodfish Lake he had a 15½-pound jackfish on the hook which took him almost an hour to bring in. The fish measured 37 inches long.

Lesser Slave Lake Open To Fishing

Three changes in summer commercial fishing regulations were outlined by Lands & Forests Minister Norman Willmore.

Lesser Slave Lake in northern Alberta will be opened to commercial fishermen from now to Sept. 30. In past years, the lake has been closed for a short time in midseason. However, fishing pressure has levelled off to the point where biologists feel the average daily catch can be maintained for the full season without harming the fish population.

A short fishing season opened at Pigeon Lake, southwest of Edmonton with a catch limit of 30,000 pounds of whitefish.

Research has shown Pigeon Lake is well populated with slightly undersized whitefish. Biologists say future production can be improved by weeding out some of the smaller fish.

Beginning July 15 and ending Aug. 20, Cold Lake, northeast of Edmonton, will be open for commercial fishing one day per week. Fishermen will be permitted to place their nets Wednesday, between 8 a.m. and 12 noon, and must lift them Thursday between the same hours.

Commercial fishing also opened at Lac Ste. Anne, west of Edmonton. Fishermen were limited to 40,000 pounds of whitefish.

Filter-tip cigarets were introduced in 1931, but gained little recognition until a connection between heavy cigaret smoking and lung cancer began to be suspected late in 1953.

Seek Site For Fort Vermilion Fire Hall

FORT VERMILION — Property formerly controlled by the Hospital Association, since taken over by the Canadian Legion, will be sought as a site for a fire hall, it was decided at a recent meeting of the Fort Vermilion Area Board of Trade.

A site had been chosen near Northland Utilities, but fire brigade members wanted more central location. At their request the Legion will be interviewed. The proposal is that the Legion return the land to the community.

Plans are for the proposed fire hall to be used for a library and for Board or Trade and Legion meetings.

Among the 44 persons attending were large delegations from LaCrete, West LaCrete and Buffalo Head Prairie. Roads again provided one of the leading topics of discussion.

Regarding the radio - telegraph system, a member of the communications committee reported discussions will be held with federal government officials in Edmonton.

The board will hire someone to prepare the sports ground for seeding to grass in preparation for the children's sports May 18.

INSTITUTE HELD AT MANNVILLE, VERMILION BY SHOP TEACHERS

MANNVILLE — Industrial Arts teachers from the Northern Alberta zone held their spring meeting at Mannville and Vermilion recently. Despite the storm and hazardous road conditions that day, 22 teachers came from such points as Seba Beach, Breton, Morinville, Thorhild, Camrose, Mannville and Vermilion.

The morning session under the chairmanship of A. Toronchuk was held at Mannville, while the afternoon program took place in Vermilion. Martin Shalka and D. C. Folk in charge. The shops in both centres were open for inspection and exchange of useful ideas.

The program consisted of:

1. Finishing and refinishing.

2 The role of the shop in the school program. Speaking on this topic was C. N. Brennan, member of the local and divisional board of Vermilion, S. D. Simonson, superintendent of schools, Vermilion, F. B. Facey, superintendent of schools from Vegreville S.D.

3. Problems and practices of student and project evaluation.

4 Achievement Day.

5. Casting of aluminum projects.

After the meeting adjourned several of the visiting teachers were shown the facilities of the Vermilion School of Agriculture.

Five Chambers Of Commerce To Urge Tourist Trade Development Along Lesser Slave Lake

HIGH PRAIRIE — Development of the south shore of Lesser Slave Lake for the tourist trade will be urged on the government as a result of resolutions passed in Kinuso at a conference attended thirty-two delegates representing chambers of commerce at High Prairie, Slave Lake, Faust, Kinuso and Canyon Creek.

The department of highways will be asked to build a No. 2 highway lakeshore, following a new survey made by the government, and that the area's holiday and fishing possibilities be considered under the tourist development section of the government's five-year program. The minister is to be invited to visit the area to discuss the proposals with a permanent committee comprising chairman, J. Dumont, Kinuso; secretary, Charles Schurter, Slave Lake; William Bannister, Faust; E. W. Trump, High Prairie.

Bayview

Victor Ossapchuk of Edmonton spent the long weekend with his parents, Mr. and Mrs. P. Timoschuk.

Mr. and Mrs. Stee Luc, Edmonton, visited Mr. and Mrs. N. Luc. Joyce Luc returned to the city with her parents after spending three weeks with her grandparents.

Mr. and Mrs. Russel Osadchuk of Calgary and Mr. and Mrs. Fred Lesik, Edmonton, were guests at the home of Nick Hrynyk.

Harold Borgen and family of British Columbia are renewing acquaintances in Avenier, Plamondon and this district.

Joe Ladouceur, employee of the Misericordia hospital in Edmonton, is now visiting at home.

Mr. and Mrs. Ted Marcenko, Miss Anne Petrooka of Edmonton were weekend visitors at the home of Mr. and Mrs. A. Dowhanuik.

Mrs. Mary Serniak and daughters of Medicine Hat; Miss Clara Stratton and Mitsuo Iwaasa were recent guests of Mr. and Mrs. Alex Stratton.

Mr. and Mrs. G. Clausing and son of Edmonton recently visited L. Brockage and at the home of Mr. and Mrs. O. Dube.

Stafford Smith, Wandering River, is now employed at the home of A. J. Plamondon. Fred Garvais also works there.

Most humans could improve their minds by doing more listening and less talking.

Dennis Corness To Conduct Services

LAC LA BICHE — Dennis Corness, student priest of the Anglican Church, is making his home at the rectory and is in charge of the usual services of the St. Andrew's Anglican church, as well as the country parishes, for the summer months.

Mr. Corness, who was born and educated in Edmonton, has been attending St. John's College in Winnipeg, from which he expects to graduate after one more year of studies. Following graduation from the University of Alberta he spent three years in the Athabasca area with Dominion Observatory, before enrolling at the seminary in Winnipeg.

Housebreaking

BAYVIEW—While Mr. and Mrs. F. Jeanes were visiting Mr. and Mrs. F. Smith May 17 some "hungry" persons used a hammer which belonged to Mr. Jeanes to break through the back door and enter their house.

A pie and a few rolls of candy were stolen. The invaders left the door off the hinges.

Mrs. Jeanes said, "I would appreciate having my pie-plate returned!"

The Antarctic equivalent of the Aurora Borealis, or the Northern Lights, is the Aurora Australis.
